OUR PRODUCTS

SLICED

BURGERS + SANDWICHES

Perfectly sliced for consistency, colour and flavour, our beetroot is grown and processed for premium burger builds and fresh sandwiches. Each slice delivers natural sweetness, vibrant colour and a clean, earthy finish. Carefully handled from paddock to pack, these slices hold their shape and texture, making them ideal for food service and retail alike.

PRICING

\$8/KG (SGD\$) | \$12/1.5KG PACK

WEDGES

SALADS

Cut into generous wedges, this format is made for fresh salads and ready-to-eat applications. Naturally sweet with a firm yet tender bite, they add depth, colour and substance to any dish. Grown under Australian conditions and packed at peak freshness, our wedges deliver consistent quality every time.

\$8/KG (SGD\$) | \$12/1.5KG PACK

DICED

SALADS

Uniformly diced for convenience and versatility, this cut is ideal for salads, bowls and prepared meals. Easy to use and packed with flavour, it brings natural sweetness and rich colour to every serve. Processed close to harvest to retain freshness, texture and nutritional value.

PRICING

\$8/KG (SGD\$) | \$12/1.5KG PACK

OUR PROCESS

Super Sweet Beets are harvested, steam cooked and vacuum packed with a light vinegar brine to lock in flavour, colour and essential nutrients. With an ambient shelf life of 8 months and convenient pack sizes from 300g to 1.5kg food service packs, Super Sweet Beets offer versatility and lower wastage than conventional formats.

Our modern facility optimises optical sorting, state of art packing and retort machinery guaranteeing food safety and uniformity of product, making a very suitable product for the food service and restaurant trade. Our versatility allows us to work with customers to individualise pack size, brine flavours and cut type for a truly unique products.

From paddock to pack, everything is done with precision and care. Harvested fresh and processed on site, our beetroot is packed where it's grown to preserve quality, flavour and freshness. It's a simple philosophy - grow it right, handle it carefully, and let the Australian sunshine do the rest.
